

Special Services

We're certified & connected!

In order to provide our customers with the highest standards of cleaning, our company pursues ongoing training and education. Staff are certified by the Institute of Inspection, Cleaning, and Restoration Certification (IICRC), a national organization which promotes industry standards and ethics.

Environment Control Special Services has partnered with Shaw Industries, the largest carpet manufacturer in the world, and their distributor, Sergenians Floor Coverings. As the Shaw Product Care Provider for Dane County, Special Services receives advanced training with the latest equipment for the best carpet care available.

Environment Control is a member of:

- Building Service Contractors Association, Int'l
- International Facility Management Association
- Association of Wisconsin Cleaning Contractors
- Society for Human Resource Management
